

## The Health Insurance Marketplace Opens November 1!

### American Indians/Alaska Natives/Tribal Week of Action

Week of October 29 – November 4

During the Week of Action CMS asks that partners share information with their networks to promote the Week of Action through social media, listservs and newsletters, webinars, and other ways that they engage with their audience. We have created resources specially for the Tribal Week of Action, and we would appreciate it if you could share these materials with your listservs.
